NOTES TO GUIDE YOU IN MAKING A CLAIM

What you should do:

1. Check that the claim is covered by the Policy. Each Section of your Policy contains details of what is insured, what is excluded and how claims are settled.

To check that you have a valid claim –

- (i) Refer to the relevant Section of the Policy, e.g., Buildings, Contents;
- (ii) Establish the cause and consult the relevant paragraph of your Policy to ensure that this cause is covered
- (iii) Ensure the Claim is not excluded from the relevant paragraphs
- (iv) Check you have complied with all conditions relevant to your claim - see pages 20 – 21.
- (v) Read the Claims settlement paragraph of the relevant Section.

2. Tell us as soon as possible by using the Claim Advice Form, by telephone or by letter.

Notes

- (a) Immediate advice is essential if the damage is serious or caused by riot
 - (b) One Claim Advice form is enclosed with each Policy.
3. If necessary tell the Police or the Credit Card Authority (see paragraph 1 on previous page for details)
 4. Obtain estimates as soon as possible for repairing the damage. Any temporary repairs necessary to make your property weatherproof (if, for example, the roof has been damaged) can be put in hand immediately. However, we should be given an opportunity of inspecting the damage before permanent repairs are done.
 5. If somebody is holding you responsible for damage to their property or bodily injury to them then follow the procedure in Paragraph 1 on the previous page.

What we will do

1. Where the damage is serious we will arrange for someone to call upon you as soon as possible.
2. In other cases, we will let you know if we need any more information. In most cases, we will be able to settle your claim on the basis of the details contained in the Claim Advice Form.
